Practice**

End of Year Membership Drive

EXPERIENCE THE BENEFITS OF MEMBERSHIP

Expand your professional networks and meet new colleagues with shared interests

Opportunities to learn and practice new professional skills

Join CEs with leading experts on topics related to group functioning

Contribute to the group psychology field

Join our Institute Program

Join our Division 49 Institute initiative! Our goal is to build a network of support for future leaders who will raise awareness and attention around the intersectionality between BIPOC identities and group psychology and psychotherapy. An important part of these efforts is connecting students and ECP members to mentors in the field. Serve as a mentor or mentee to connect, support and serve.

Group Dynamics Journal

Group Dynamics: Theory, Research, and Practice publishes original empirical articles, theoretical analyses, literature reviews, and brief reports dealing with basic and applied topics in the field of group research and application.

The recent issue focuses on the Evidence-Based Group Psychotherapy website and the empirical support for Group Psychotherapy.
